ABOUT MOORE GLOBAL

Moore Global network traces its origins back to a small auditing, tax consulting and insolvency practice set up by Harold Moore and Albert Partridge in 1907. In 1968 the Moore Stephens International network was formally established and by 1979 there were member firms in most of the world's main economies. The name was shortened to Moore Stephens in 1986, then evolved again when the global network rebranded as Moore in 2019. A global accounting and advisory family with over 29,000 people in 547 offices across 113 countries, connecting and collaborating to take care of your needs – local, national and international.
